

1. All students will confidently use a range of learning strategies and technologies to achieve success. Literacy and mathematics provide a strong foundation for rich learning across the curriculum

**Tauriko School ensures its students are resilient, standing strong in their identity and proud of our school's rural heritage. From this base they are empowered to actively participate with success in the 21<sup>st</sup> Century**

2. All students will be supported by an inclusive community that believes in ako, growing a community of learners that contribute both locally and globally

3. Tauriko School has a commitment to national priorities and a rich appreciation for all cultures and their languages, with an acknowledgement of the principles of Te Tiriti o Waitangi and the place of Te Reo
