Regular Reading

Do you have or do you know of someone who has a spare 1 hour per week to volunteer to support children's reading? We are looking for volunteers to regularly listen to our developing readers. Support will be provided.

Please contact Rochelle Jensen - rjensen@tauriko.school.nz or 5430430.

Shooting for Success

A big thank-you to Campbell Read's grandparents, Brian and Delwyn McKeown for the time and expense involved in donating a basketball goal to the school. This will enable the children hours of fun and the opportunity to practise using a basketball goal with the correct specifications and therefore improve their performance on game nights.

Your generosity is much appreciated.
