Ministry of Education

The Ministry of Education is redeveloping its website and improving online information for parents, families and whanau. They have started with a new parent website www.parents.education.govt.nz.

The goal of the website is to provide a central place to give parents information and answers to their commonly asked questions in plain language.

The Ministry of Education provided bookmarks to let you know about the site.

House of Science Open Day

As part of the Western Bay at Work fortnight of activities, we are opening our doors to the public.

Come along and check out the teaching resource library, play with the robots, meet the staff and see how you can join, support or use the centre and its resources.

See you at the
House of Science, 8/58 Cross Road, Sulphur Point
1-4pm Saturday 16th August.
