PTA

Message from the Tauriko School PTA

The PTA have had their final meeting of the year this week and we wanted to specifically say thank you to our school families for all your support this year. It has been great to reach the goal we set out to achieve and a donation of \$28,500 has been made to the school towards the library refurbishment. This is a great achievement by everyone and we look forward to seeing the new library taking shape in 2016!

Next year the PTA are going to change tact slightly and focus on more of a sub-committee approach to organise the major events of the year – being a children’s duathlon, a Quiz Night and the Annual School Gala. If you are interested in helping to organise any of these events, please keep this mind and we will be in touch early next year.

Enjoy the rest of a busy, but great looking, Term 4
