

Friday 9th February, 2018

Dear Parents/ Caregivers,

With the Year 3 and 4 Sun and Surf Camp fast approaching we have some important details to finalise.

Payments and permission:

Thanks for those of you who have returned completed forms and made payments. We now require all outstanding camp payments to be made either by cash or online via Kindo. If this payment is an issue can you please contact Kay Taylor in the School office to make a payment arrangement. Thanks.

Tents:

Thank you to those families who have kindly offered tents for us to use and to the people who have volunteered to help put them up and take them down. We still require more tents and would appreciate larger sized tents. Can you please indicate on the form if you can lend a tent (and haven't already offered) and how many people the tent can sleep. Thanks.

Transport Helpers:

We require parent help on Monday 19th February to transport children to camp at Mount Maunganui and to bring them back to school on Tuesday afternoon 20th February.

If you can help with transport please complete the form below.

We welcome visitors to camp on either or both days. Can you please indicate below if you are intending to visit us at camp. We do ask that visitors bring their own food for the day.

Thank you for your support and helping us to provide this amazing learning experience for our children.

Kind regards

Athalae Elliott, Georgia Flower,
Helen Guthrie, Lynda Palfrey
