

WHOLE SCHOOL GYM SESSIONS (YEAR 3 AND 4)

Monday 2nd July 2018

Dear Parents / Caregivers

As a school it was decided that due to the space restrictions at Tauriko School we would look at other options for the students to experience Physical Education through gymnastics. Argos Gym provides a wonderful opportunity for our students to practice a wider range of fundamental movement skills related to gymnastics with appropriate equipment.

The cost for the 4 sessions is \$20 (\$5 per hour at the Gym). We are very fortunate that the PTA have offered to pay \$5 of this cost for every student in the school so the cost for each child will only be \$15.

On your child's gym session day they will need to make sure they have the following:

- Close fitting clothing – no buttons, zips, studs.
- Water bottle

We would appreciate support with getting students down to the Gym and back to school each of our gym sessions days. We also need parents to help with supervision and some of the activities at the gym. Please advise on the return slip below if you are able to assist on one or more of the days. For the ease of organisation we would really appreciate parents who can commit to all four gym sessions.

Could the permission slip below please be completed and returned to school with payment as soon as possible.

Kind regards,
Natalie van Dijk
